FADE IN:

ACT 1

MUSIC CUE:

EXT. - DAY - A RUNDOWN STREET IN THE INNER CITY

On a rundown desolate street in a neighborhood that is being gentrified exist this corner property that is pegged to be a great real estate investment.

A luxury car rolls by and parks on the adjacent street corner.

Exits from this high end luxury vehicle is Victor Blackwell. Victor is a 50+ successful real estate developer. Due to the neighborhood Victor dresses in some cheesy low budget workout attire.

Victor takes a moment to study the neighborhood. On this mostly devoid of life inner city street Victor eyes this 1970's mustard yellow painted building which houses an out-dated gym draped with a cheap banner sign that reads, "The Fit-N-Club".

The property is for sale. Victor is interested in the building for its potential redevelopment value not for the gym.

The gym doors are open. The music is blasting so loud you would think they are having a block party.

CUT TO:

INT. - DAY - FIT -N- CLUB - GUEST SERVICES COUNTER

From the guest services POV (*point of view*) we see Victor Blackwell cross the street and walk toward the entrance of the club.

An over the shoulders POV reveals a computer monitor playing some prank video. In the background we see two small pockets of people idling on the street. As Victor enters the club the gym's speakers blast:

PLAY'DIS

(in voice-over on
the gym speakers)

What's good my fitness fan-
addicts. That was Drizzy
(Drake). You are listening to
Play'Dis afternoon's play list

Club. Remember to subscribe.

those "LIKE" emojis. This next
track is that rising roach
stomping Brooklyn dance hit,
"I Don't Give A Hug!"

MUSIC CUE:

SFX : Door Chime.

Victor Blackwell walks through the gym's main doors.

Upon entrance he is greeted by this twenty something, very
fit, very beautiful, vivacious personality named, Jiah
Thompson.

JIAH

Hi, welcome to The Fit-N-Club,
a club where everyone who is
about self improvement fits in.
Jiah Thompson, the assistant
manager. Can I interest you in a
membership today?

VICTOR

Hello, Victor Blackwell.

JIAH

How interesting? I have a close
female friend with that same
Blackwell last name.

VICTOR

Oh really, a coincidence?

JIAH

Small world.
(in salesperson's
mode)

JIAH (CONT'D)

In fact, she will be here at the gym later. Ergo another reason to join the Fit-N-Club today. You not only find people with similar fitness goals they might have similar names.

(she gives a cheesy salesperson's smile)

Thus may I interest you in a membership today?

VICTOR

(smiles politely but dismissively says)

Thanks, but no thanks. I am just waiting to meet someone here.

(looks at his phone)

JIAH

(in sales mode)

Well then, maybe I can give you a tour of our facilities while you wait for your friend. Thus giving me a chance to change your mind about a membership, today.

VICTOR

No I don't think I will change my mind about a membership.

(says with confidence while looking thru his phone)

JIAH

(in salesperson's mode)

What are you afraid of? That a sister might sell you on a lifetime membership of self improvement?

VICTOR

(being an old school playboy, looks up from his phone, smiles and counters)

You know what. I'll make you a deal. I'll take your tour. And by tour's end, I will either

JIAH

*(responding to
another unwanted
male invitation)*

Sir, I don't know what you have
in mind. But with all due
respect,

*(pauses and takes a
breath)*

I am a pescatarian,
and you are NO black Donald
Trump and my name is NOT Black
Ivanka!

(dismissive gesture)

Thank you very much.
Your tour shall begin by you
walking this way!

*(as she points,
turns and walks
away)*

Camera dolly into a close up of Victor. Victor slowly turns
his head following Jiah and gives a facial expression of;

VICTOR

(What the fuck was that?)

SFX : Laughter

MUSIC CUE:

ACT 2

EXT. - DAY - FRONT - THE FIT -N- CLUB

Music thumping over exterior wide of the gym.

CUT TO:

INT. - DAY - FIT -N - CLUB

A transitional montage of club members working out in sexy
Pro workout gear. *(Attire example, Nike Pro Gear.
Transition example, the Big Bang Theory's atom molecules
transitions, but much, much, much more lit!)*

CUT TO:

INT. - DAY - FIT -N- CLUB - THE TOUR

Victor rushes to catch up to Jiah.

Victor
 (apologetically)
 Young lady, I did not mean
 anything by that. See I am the
 father of...

JIAH
 (interrupts)
 Sir, I don't care who's father
 you are. At the Fit-N-Club women
 can handle themselves. Since you
 are new to the Club I will give
 you a first time pass on
 inappropriate solicitation.
 (she emphasizes)
 We practice the respect rule at
 the Fit-N-Club. Give respect and
 respect will be given. You
 disrespect and you will be
 disrespected.
 (she points)

SWISH PAN TO:

A man and a woman sparring. Then camera quick pans to Young
 Science entering the bathroom with an empty pitcher.

JIAH (CONT'D)
 You see Young Science there.
 (she points to Young
 Science)
 He made the mistake upon his
 first day of trying to say a
 nice thing in the wrong way.

SFX : Door Chime.

FLASHBACK TO:

INT. - DAY - FIT -N- CLUB - PAST - YOUNG SCIENCE 1ST DAY

Young science (Gilford Pettiford) walks into the Fit-N-
 Club. He is the typical horny late teen, geeky male that
 the club has given the nickname of Young Science. A fit
 woman comparable in age but opposite in demographics to his
 greets him.

YOUNG SCIENCE

Hi, I have been following the
Fit-N-Club on the Gram. And this
is the club I want to subscribe
to.

FEMALE TRAINER

Great! Welcome to the Fit-N-
Club. A club where everyone who
is about self improvement fits
in.

YOUNG SCIENCE

(bragging)

Self improvement is Gilford
Pettiford. I am single, a
heterosexual male, I have a
4.0+, plus, plus GPA,
(he punctuates)
and I am M.I.T. bound.

FEMALE TRAINER

(in salesperson mode)

Great for you! May I interest
you in a tour of our club?

YOUNG SCIENCE

(flirting horribly)

Yes you can beautiful!

FEMALE TRAINER

*(dismissing him as
she begins the tour)*

Okay. Now why do you want to
join the Fit-N-Club?

YOUNG SCIENCE

(says shamelessly)

Are you kidding me!

*(points to the women
in the club)*

Look at all this!

CUT TO:

A slow camera pan across the Club. We see hot men and women
working out. They all wear sexy Pro workout gear while
exercising. From Young Science's POV all the males are
blurred out. Young Science eyes only sees the hot women
members working out.

YOUNG SCIENCE (CONT'D)

As my dad would say;
*(gives loud hand
 gestures)*
 "Hot Babes Everywhere!"
 "THIS IS BAYWATCH ON LAND"!

All of a sudden the Female Trainer stops. In one quick move she head flips the unsuspecting Young Science. She takes him down face first to the floor mats. She is so fast that Young Science does not have time to react. All we hear is his screaming echo,

YOUNG SCIENCE (CONT'D)

HOLY SHIT!

SFX: Body Slam!

She puts him into a painful arm lock with her knee on his back and neck.

FEMALE TRAINER

Are you calling me Pamela
 Anderson?
*(pauses and stares
 at him annoyed)*

MUSIC CUE:

CUT TO:

A quick transitional montage of strong women lifting weights comparable to man. They wear nicely fitted sexy Pro attire.

CUT TO:

INT. - DAY - FIT -N- CLUB - PAST - YOUNG SCIENCE 1ST DAY

FEMALE TRAINER

I watch Baywatch reruns with my
 dad and I don't ever remember TV
 execs letting Pamela kick some
 man's ass on camera while
 wearing a bikini because he was
 being disrespectful.

*(she applies
 pressure)*

Do you?

CUT TO:

A clip of Baywatch that Pamela Anderson is famous for:
"Pamela running on the beach in slow motion."

CUT BACK TO:

YOUNG SCIENCE
(in pain groans)

No.

FEMALE TRAINER
Acting is an honorable
profession for any woman with
her body type, feminine prowess
and acting talents. Do you not
concur?

YOUNG SCIENCE
(in painful arm lock
moans)
I fully concur. I fully concur!

FEMALE TRAINER
Now what do you have to say?

YOUNG SCIENCE
OMG, you are like a cross
between Pamela and those MMA
babes.

(she applies
pressure, he moans
louder)
Women! Women! Yes, definitely
women in the mixed martial arts,
like you, like Pamela, are very
talented,

(applies more
pressure)
and extremely strong!

FEMALE TRAINER
How can you see yourself fitting
into our club?

YOUNG SCIENCE
Would I get into any more
trouble if I was to tell you how
this is activating certain lower
body parts?

FEMALE TRAINER

*(she applies more
pressure, he moans
in high notes)*

Why do you wish to be a member
of the Fit-N-Club?

*(she punctuates,
mocking him)*

M.I.T. bound.

YOUNG SCIENCE

I want to join the Fit-N-Club
because,

*(she applies more
pressure)*

FEMALE TRAINER

Remember be respectful!

YOUNG SCIENCE

*(in a high pain
voice)*

Because,

FEMALE TRAINER

Think before you speak!

YOUNG SCIENCE

Because,

(he takes a breath)

I wish to be a better man.

FEMALE TRAINER

*(she gives him sad
hurt puppy eyes)*

SFX : Ahhh!

MUSIC CUE:

ACT 3

EXT. - DAY - FIT -N- CLUB

Music pumping over an exterior wide of the gym.

CUT TO:

INT. - DAY - FIT -N- CLUB - PRESENT DAY TOUR

Jiah walks over to where Tyreal is working out as Victor plays catch up to her.

VICTOR

My apologies, no disrespect intended. I will take your tour and behave.

*(smiles as they
begins tour)*

I love a strong black woman.

JIAH

Good because:
Strong. Black. And a Woman.
That's Jiah Thompson.

Just as Jiah punctuates her statement Tyreal jumps up from a weight lifting routine. Right in the path of Victor and Jiah he starts dancing off beat. It startles the shit out of Victor. So startled Victor jumps out the way nearly hitting his head on a metal bar hanging near them.

VICTOR

What the?

JIAH

Relax you are just watching
Tyreal Moves.

Tyreal has on headphones that covers his ears. They watch him dance. Tyreal pays them no attention as he dances off beat to the music playing in the club. Tyreal holds a special place in the Fit-N-Club. More on the intricacies of Tyreal's story in future episodes. But for now Tyreal lift weights and dances hilariously off beat when people pass by him.

VICTOR

You sure he is okay? He doesn't need some medication?

JIAH

Tyreal, is fine. He is doing his own thing. After he finishes a lifting routine he dances. You could say that's his way of saying hello.

VICTOR

Hello, by having an epileptic fit in front of you?

JIAH

Vic why are you hating on the epileptics?

VICTOR

Okay, my apologies to those with epilepsy. But look, he looks like he needs medical attention.

JIAH

Victor truth is everyone does not hear the same. Tyreal, he is pure inspiration! Beside he is only a little off beat. There are worst conditions to have in life.

VICTOR

What is he listening to?

JIAH

(says mysteriously)

Nobody knows! But I will bet he is on beat to whatever is in his headphones.

VICTOR

If not someone better call 911.

MUSIC CUE:

CUT TO:

Tyreal Moves. Tyreal dancing hilariously off beat.

ACT 4

EXT. - DAY - FIT -N- CLUB

Music thumping over exterior wide of the gym.

CUT TO:

A montage of people working out at the gym.

CUT TO:

INT. - DAY - FIT -N- CLUB - TOUR

Victor meets Young Science and the Female Trainer.

Young Science exits the bathroom with a pitcher of yellow liquid. The Female Trainer rushes over to help him. They start serving other members in the club drinks.

JIAH

Since we were talking about him.
Let me introduce you to Young
Science and his girlfriend, the
Fit-N-Club's female trainer.

VICTOR

The Fit-N-Club's female trainer
and him. What? they?

JIAH

Com'on, you are an OG. You know
there's always more to a young
love story than one intense
moment of passion.

FLASHBACK TO:

**The Young Science take down and him screaming, "Holy
Shit!".**

FREEZE FRAME:

JIAH (CONT'D)

(in voice over)

**Turns out the world of Science
and the world of Fitness have
more in common than one would
first imagine.**

CUT BACK TO:

INT. - DAY - FIT -N- CLUB - PAST - YOUNG SCIENCE 1ST DAY

FEMALE TRAINER

**For future reference lead with,
"I wish to be a better man".
Now, welcome to the club!**

*(she extends a
helping hand)*

**Get off the floor and let me
give you a tour.**

YOUNG SCIENCE

If it's alright with you I would like to keep the floor mats company a little while longer for my testosterone levels to recede from their engorged state.

(as he slowly pulls his hands toward his groin)

My lower body parts cannot afford to offend any other women in the club.

(as he moans from the painful body slam)

FEMALE TRAINER

(she chuckles)

You might just qualify to be called "my next work in progress". So you said a 4.0 GPA and you are MIT bound?

YOUNG SCIENCE

No I said a 4.0+, plus, plus GPA, and it is

(he punctuates)

M.I.T. bound.

(as he rises from the mats, covering his groin area)

FEMALE TRAINER

(she smiles and lightly chuckles)

My dad has taught me to like a man with a big brain.

YOUNG SCIENCE

(with his eyes wide opened)

Seriously!

FEMALE TRAINER

But first, he must learn to respect women.

YOUNG SCIENCE

(gives a big Kool Aid smile with a horny teen's grin)

Okay, I can do that!

FEMALE TRAINER

There might be hope for you yet.
(*she smiles*)

MUSIC CUE:

CUT TO:

A montage of men and women, closely but respectfully,
working out together.

ACT 5

EXT. - DAY - FIT -N- CLUB

Music thumping over exterior wide of the gym.

CUT TO:

INT. - DAY - FIT -N- CLUB - VICTOR MEETS YOUNG SCIENCE

VICTOR

What is that,
(*points to them*)
they are giving out?

JIAH

One of Young Science's daily
elixirs.

VICTOR

(*gives a puzzled
look*)
Elixir, but he just came out the
bathroom with a jug of yellow
colored water.

Young Science and the Female Trainer began passing out
their elixir to other members as Jiah and Victor approach.

FEMALE TRAINER

(to Jiah and Victor)

Jiah you have to try this!
(hands them a cup)

YOUNG SCIENCE

The best my body has produced to date.

(they start drinking)

VICTOR

What is this called?
(as he begins to drink)

YOUNG SCIENCE

Young Science's P-water!

VICTOR

(spits it out immediately)

Did you say Pee Water?

YOUNG SCIENCE

No, I said, Young Science's P-water. Big difference! My body produces some of the best P-water around, my friend.

(Vic looks confused)

JIAH

Protein water. P-water, that's Fit-N-talk.

FEMALE TRAINER

Like Vitamin water, but Protein infused.

YOUNG SCIENCE

Protein water is good for athletes, body builders and people who want a healthy alternative to sugary caloric beverages.

FEMALE TRAINER

There is nothing like Young Science's P-water on the mass market.

JIAH

Yet, on the market yet. My girl Millie and I are trying to help him perfect his formulas. Second Shark Tank, then the mass market.

(Vic looks impressed)

YOUNG SCIENCE

My P-water is not only 25 grams of collagen protein in every cup. But upon the advice of my fellow Fit-N-Club members we added electrolytes, vitamins, amino acids and five special minerals that help sustain muscle retention. That my friends is what the Fit-N-Club calls...

GROUP

(raises cups to toast)

YOUNG SCIENCE's P-WATER!

YOUNG SCIENCE

Quoting our manager Jiah Thompson, "Thank you very much!"
(they all drink, except Victor)

JIAH

Young Science this is good. Now, I'm quoting OGS, "Young one, this is real good." "I am talking R.E.A.L good."
(the group agrees)

YOUNG SCIENCE

Seriously?

JIAH

Let's ask Victor's opinion. This is his first time sampling your P-water. Victor your thoughts?

Victor trying not to drink the water. But since everyone is watching, he reluctantly sips the yellow P-water.

VICTOR

Actually, its good.
(drinks more)
You're right it's R.E.A.L good.
(extends hand)

YOUNG SCIENCE

Nice to meet you, I am Gilford Pettiford. Blackwell, Jiah he has same name as your girl, right?

JIAH

Yes, we established that fact already. If Victor stays for the whole tour, behaves himself and signs up for a membership, maybe I will let him meet her. Then after that maybe I'll let Victor in as an investor on the ground floor of Young Science's P-water.

(smiles and gestures)

FEMALE TRAINER

By the way, where is Millie? She is usually here by now.

JIAH

Mills, she is on her way here. We have a dinner meeting with some investor tonight.

FEMALE TRAINER

That's why I love your girl Millie. She is a woman about business.

YOUNG SCIENCE

Yeah, you know the club's Millie motto, Millie means money!

JIAH

That's what I love about her too. She is a black female business super power, that is so attractive.

VICTOR

Sounds like you really care for this girl?

FEMALE TRAINER

That's an understatement.

JIAH

What?

FEMALE TRAINER

Jiah, the whole club knows you are *whipped* on Millie.

JIAH

What? Whipped! Not is Jiah Thompson! But I do love her. She is my motivation, my inspiration.

Mills (*Millie*) is super successful, super smart and super beautiful.

*(pauses in thought
as she ponders)*

Some days I question, why she wants to be with my ugly ass?

YOUNG SCIENCE

Jiah you are not ugly.

VICTOR

(with Female Trainer)

I fully concur. I fully concur.

JIAH

Thank you very much! But I am your boss. And I am still not going out to dinner with you. I don't know if you have hearing problems Vic. But I told you, I am a pescatarian. Which means Victor, I only eat fish!

*(Jiah shakes her
head and hand
gestures)*

Your tour of our facilities continues by you walking this way!

*(she turns points
and walks off again)*

As Jiah passes the camera dollies into a three (3) shot of Victor, Young Science and the Female Trainer.

YOUNG SCIENCE & FEMALE TRAINER

What do you want us to say?

*(as they stare at
Victor)*

That's Jiah Thompson.

MUSIC CUE:

EXT. - DAY - FIT -N - CLUB

Music thumping over exterior wide of the gym.

CUT TO:

INT. - DAY - FIT -N- CLUB - THE TOUR - VICTOR MEETS OGS

OGS is one of the older members in the club. They call him OGS because he always drops old school knowledge. Also, OGS has the friends who can hook you up with the best discounts.

OGS

Jiah, Jiah. Did my Man-T hook you up on the ring for Millie, or what?

JIAH

Yeah, let me show you.
(takes box out)
 By the way Victor OGS, OGS Victor.
(exchange greetings)
 Here it goes.
(shows the ring)

OGS

Nice. Nice. Cut, Color, Clarity

JIAH

And cost a small fortune!

VICTOR

Jiah Wow!
(he inspects the ring)

OGS

Speaking of fortunes, how are the club's fortunes? Did they find a buyer for the building? Will we be closing soon? Any updates?

JIAH

Update is, Millie and I are suppose to meet with some investor this evening so keep those fingers crossed.

VICTOR

(looking at the ring)

Jiah. I am impressed!
Wow, are you planning on
proposing to Millie?

JIAH

Victor, why are you all up in my
business? Eyeing my merch!
*(snaps the box close
as she takes back
the ring)*

VICTOR

You are really serious about
this girl?

JIAH

Now you get the picture!
Pescatarian, lesbian. Sometimes
men can be so thick in the head.

OGS

My bad Jiah, I thought this was
your dad?

JIAH

Who Victor? My dad. Oh, hell no!

VICTOR

Actually, I am the father of,
hold on, why did you say it like
that? I can't be your step dad
or dad in-law or something else
like that?

JIAH

Victor, I am trying to get you
to be my client, not my sugar
daddy!
(she walks off)

As Jiah walks off camera dollies into a two (2) shot of OGS
and Victor.

OGS

What do you want me to say?
*(they look at each
 other)*
 That's Jiah Thompson.

MUSIC CUE:

ACT 7

EXT. - DAY - FIT -N- CLUB

A montage of club members working out at the gym.

CUT TO:

INT. - DAY - FIT -N- CLUB - THE TOUR

VICTOR

(catches up to Jiah)
 Closing. How are you going to
 sell me or sell anybody a
 membership to a club that is
 closing down? Isn't that kind of
 unethical?

JIAH

Victor, I am not selling you a
 membership to a building. I am
 offering you a lifetime
 membership to better health.
*(she directs Victor
 to look at the gym
 lovers)*
 Victor, look around. What do you
 see?

VICTOR

Good people sweating their A's
 off!

JIAH

No Victor. What you see is inspiration. Good looking inspiration. All these people you see they were not always hot nor inspiring. Inspiration is motivation! Don't join, just hang around and meet the other Fit-N-Club members. Then Victor I guarantee you just by watching us you will be inspired to think healthier.

VICTOR

There are no guarantees in life?

JIAH

Victor every subscriber to the Fit-N-Club at some point along their journey of self improvement was you.

(smiles)

Take me for example. A once skinny shy black girl who was more tomboy than girly girl. A gym, this club, these people, they made an awkward, out-of-place teen feel welcomed. They made me feel a little less an outcast and alone. On top of that I found the girl of my dreams here.

VICTOR

Really! She is the girl of your dreams?

JIAH

(says with love)

Yes Victor she is!

(a thoughtful pause)

But me and Millie's love affair is not the point of this conversation, Vic.

(takes a breath)

Now as I was saying;

JIAH (CONT'D)

Pre-pandemic there were over 64 million active gym members in the US. Half left due to the pandemic. Our mission at the Fit-N-Club is to inspire a fraction of them to rediscover the beauty in fitness. At that point, this club is more than profitable. And if that doesn't work for you Vic then join for Young Science's reason.

FLASHBACK TO:

YOUNG SCIENCE

**"Hot Babes Everywhere!
"This is Baywatch On Land!"**

CUT BACK TO:

JIAH

And the cost is next to free!

VICTOR

How do you propose to make money if the memberships are free?

JIAH

I said next to free! Watch, follow and subscribe online it is all free. To come to the physical club it's 10 bucks per month and there is a plan to eliminate that. My concepts to make this club even more profitable are ground breaking.

JIAH (CONT'D)

(says with
confidence)

But, I can't divulge all my
secrets on the first tour
Victor.

You have to sign up for a
membership first, before you can
get all of this Black Girl Magic
working for you!

(they smile)

MUSIC CUE:

ACT 8

CUT TO:

INT. - DAY - FIT -N- CLUB - THE TOUR

SFX: Door Chime.

Big AB enters. It's Big AB's first time in the club. Jiah notices that he is one of guys from the two groups of people milling around the outside of the gym that we saw upon Victor's entrance into the club.

Big AB wears a hidden camera. Big AB stops at the front desk. From Big AB's POV we see his friends chuckling, in the far background, outside the club, as they watch their phones.

CUT TO:

INT. - DAY - FIT -N- CLUB - THE TOUR - VICTOR MEETS
PLAY'DIS

Jiah brings Victor over to Play'Dis DJ booth.

JIAH (CONT'D)

Play'Dis could you continue to
introduce Mr. Victor to our club
and hopefully he will sign up
for a membership at tour's end.

VICTOR

(exchange greetings)

And it's just Victor, no Mr., no
Sir, no last name required.

PLAY'DIS

Ok then Big Vic.

JIAH

Excuse me. I shall return shortly.

(Jiah leaves to greet Big AB)

VICTOR

Oh wow, she dumped me for another man. That is not very customer friendly.

Just then Boo Bow walks by.

PLAY'DIS

What do you want me to say?

VICTOR

That's Jiah Thompson.

PLAY'DIS

(he signals Boo Bow)

Na, that's not Jiah Thompson.

(Play'Dis introduces Victor to Boo Bow)

Hey BB!

Double B Victor, Victor Double B.

BOO BOW

Hello.

(exchange greetings)

VICTOR

It's BB. For?

BOO BOW

It is the name upon my shirt.

(Boo Bow points to the letters on his shirt and smiles)

Boo Bow, has a great physique. He is from an eastern European country with a thick accent. He has difficulty with US English's subject to verb word agreement. He loves hanging with people of color. He is the club's social media personality. Every member in the Fit-N-Club including you will have yourself a Boo Bow moment later in the series.

PLAY'DIS

Something is up with that guy. We know Jiah, she wouldn't dump anyone. Jiah's is a ride and die to the end type of woman.

BOO BOW

Yeah, this club follow Jiah and Millie into war. They are an awesome team.

VICTOR

Oh really.

BOO BOW

I go investigate what's up with the new guy.

(Boo Bow walks off)

VICTOR

So while we wait. Is it Play-Disc like the CD or Play-This like

(spell out)

T H I S?

PLAY'DIS

Actually, it is Play'Dis with an apostrophe D.

VICTOR

(looks puzzled)

I sense a story.

PLAY'DIS

Well, my real name is Shawn Donohue. I grew up in Bed-Sty, the black side, Marcy Projects, Sumner Houses, represent!

(gives a shout out)

Imagine this pale white kid growing up in a mostly black project. Many adventures, many stories.

FLASHBACK TO:

INT. - NIGHT - PROJECT PARTY

As Play'Dis tells the story we flash back to the project party.

PLAY'DIS (CONT'D)

(in voice over)

My boy and I would DJ at project house parties. And you know in the PJ's, they will stop scratch a record on a brother in a heartbeat to get their point across.

PARTY GOERS

(montage of various people saying)

1-Hey DJ, could you play this?

2-DJ please play this?

3-Yo DJ play this?

4-Please could you play this?

The party goers are not getting Shawn's attention. Someone across the room stops the music by pulling the plug that powers the DJ equipment. The entire party stops and looks.

SFX : Loud Stop Record Scratch

PARTY GOER 1

(yells really loud while holding up and pointing to an album cover)

YO WHITE BOY, PLAY'DISssssss!

MUSIC CUE:

EXT. - DAY - FIT -N - CLUB

CUT TO:

INT. - DAY - FIT -N- CLUB - TOUR - PRESENT DAY

PLAY'DIS

After that, everyone called me Play'Dis.

VICTOR
(lightly chuckles)

PLAY'DIS
You laugh but in the hood, a hot
easy to remember name gets you
gigs.

VICTOR
True.

PLAY'DIS
White Boy Play'Dis makes me
bank. It's lit and I am lovin'
it!

VICTOR
I hear that. I take it you have
something to do with all the
tunes playing at the Club today?

PLAY'DIS
I am the Fit-N-Club's official
DJ, VJ, Youtuber, aka Live
Streamer, and Podcaster. So if
you want a tune pumped when
working out. You know what to
say.

VICTOR
Yo white Boy, Play'Dis.

PLAY'DIS
No it's, PLAY'DISssssssss!
(as he gestures and
mimics party goer)

INT. - DAY - FIT -N- CLUB - THE TOUR - BOO BOW RETURNS

BOO BOW
I investigate reveal, an
American YouTube Jokester.

PLAY'DIS

Huh?

BOO BOW

Jiah Thompson say watch.

Jiah brings Big AB over to Tyreal. Tyreal jumps up and starts dancing in front of them. Like Victor before him, Tyreal's hilarious off beat dancing startles the mess out of Big AB. But unlike Victor Big AB does not see the hanging bar. Big AB turns fast and slams face first into the bar. The force of the smash spins Big AB the opposite direction. He falls out cold onto the floor. The screen goes black.

JIAH

That is what we do here Victor. We inspire people towards having their own Boo Bow moment. Now lets talk about your membership and no more flirting.

VICTOR

Jiah I am so impressed with you. I look forward to our dinner.

JIAH

Jeez Vic you are persistent. What are you one of those old time male converters?

(shakes her head)

Men you think your game is so good that you can convert every fish loving pescetarian into some meat eating man lover.

(she takes a breath, loud hand gestures)

Final News Flash Vic! You, me, dinner, and whatever type of duo pescetarian love fantasies upon which your male mind maybe meditating with me and my girl Millie,

(Victor smiles as she punctuates)

JIAH

*(She pulls out the

For you Mr. Blackwell, sir.

VICTOR

*(he looks at Jiah
and smiles)*

Why thank you, Jiah!

JIAH

*(pulls out the chair

For you my beautiful queen.
(obviously nervous)

MILLIE

Thank you babe!

JIAH

MILLIE

Why does it matter?

JIAH

(air gestures)

Why does it matter, she says!
(shakes her head)
After today he is never going to invest in me, let alone the club.

MILLIE

Relax sweetie, I know my father. For him to invest he needs to discover the great things about you and the other members of the Fit-N Club for himself.

JIAH

You don't get it, Mills. I showed my ass off to your dad today at the club.

MILLIE

Jiah you are being over dramatic.

JIAH

No you don't understand babe.

Mills don't leave me.

VICTOR

Jiah, have a seat, let's talk marriage.

*(Jiah looks stunned
as she remembers he

FLASHBACK TO:

INT. - DAY - FIT -N- CLUB - TOUR

VICTOR

Wow, are you planning on proposing to Millie?

JIAH

Victor, why are you all up in my business! Eyeing my merch!
*(snaps box close,
she takes back the
ring)*

CUT BACK TO:

INT. - NIGHT - RESTAURANT TABLE

MILLIE

Yes, you two talk about a business marriage while I handle this phone call.

JIAH

*(after Millie is out
of sight)*

Sir, Mr. Blackwell I am so sorry about that. I planned to ask for Millie's hand in marriage more respectfully, with a more proper sit down and request. But I did not know who you were. I mean you told me who you were, but I didn't really realize who you really were.

VICTOR

Jiah no worries. Had you known we probably wouldn't be sitting here. In business Jiah I learned the best deals tend to be the unexpected deals. Jiah I think you are an unexpectedly great deal.

JIAH

Why thank you very much sir, Mr. Blackwell.

VICTOR

Jiah at breakfast with my daughter, I was planning to buy a property, close down a gym, and give its inhabitants the boot. Now at dinner with my daughter's girlfriend, hopefully her future fiance someday,

(smiles)

I am investing in. No I am subscribing to. No I am a joining a group called, the Fit-N-Club.

JIAH

A club where everyone who is about self improvement fits in.

(smiles)

VICTOR

Jiah today you and the Fit-N-Club members motivated me to embark on that journey in which we all can relate; the quest for self improvement.

(beat pause)

Jiah, you inspired me. Or shall I say, you inspired my glutes.

(smiles)

JIAH

What do you want me to say, sir? That's Jiah Thompson.

VICTOR

Jiah I would love to have you as a daughter in law. I will not mention the ring or the proposal to Millie. That's all you! Whenever you feel the time is right.

JIAH

Thank you very much, Mr. Blackwell, sir.

Millie returns to the table.

MILLIE

Good news, that was the other side's lawyers. They accepted our offer. Dad, Blackwell Development will be the proud owner of parcel 4321, aka The Fit-N-Club.

*(they all hug and
kiss)*

VICTOR

Good work baby. Like your mother you are a powerhouse.

MILLIE

So this marriage between you two?

JIAH

He said he will invest.

MILLIE

Great! Thank You Daddy!

VICTOR

No thank you baby. Jiah is an amazing woman. But I have a couple of terms and conditions. Foremost, starting from right now, Jiah I need you to be yourself around me. No more Mr., Sir., Mr. Blackwell. Outside of formal business treat me like any other member of the club. Could you do that?

JIAH

Yes Sir, Mr. Blackwell, I mean
Vic.

(smiles)

VICTOR

Great, the rest let the lawyers
and time workout.

MILLIE

I love you Daddy.

*(she kisses him on
the cheek)*

VICTOR

I love you too baby. Well ladies
I don't know about you but I am
starving. I had an amazing
workout today. Thanks to one,
Jiah Thompson!

(gives a head nod)

I am eating the largest steak in
the house tonight and you?

JIAH

Vic, you and your daughter

*(she kisses Millie's
hand)*

have made me one of the happiest
women on earth today. So if it
is alright with you Vic,

*(says with a warm
happy smile)*

I am eating fish tonight!

Jiah smiles and looks at her menu. Millie and Victor looks
up and freezes.

MILLIE

Oh no dad, see Jiah is a
pescatarian. She only eats fish?

VICTOR

Sweetheart, I know Jiah is a
pescatarian. But after hanging
with Jiah for only one day, you,
me and everyone else who is
listening knows,

(on beat)

Jiah meant both!
